Chastity said she wasn't supposed to be out. India said they could go back to her place. Chastity said no at first, but after squeezing India's firm ass, she couldn't resist. Once they got back, she pulled up her dress and got her pussy munched on. Then she returned the favor. And all was good in the town that night.

## I PLEAD NOT GUILTY

Here's a lesson for you guys out there who choose to ignore or diss your wife. She may not say anything, but, trust me, she's thinking it. Just hope she doesn't act on it like I did. I'm writing because I need to clear this from my guilt. Yes, I'm going to go into some detail because it's important. I've been carrying this guilt for almost a year.

My husband would travel a lot for his job. And doing so, he developed friendships in many cities and would often go just to hang out. I was rarely included. And while I objected, to deaf ears, many times, I learned to live with it. But the ignoring and loneliness got to me several times and each time I found solace in his best friend's arms. Now, I did not, and still do not,

to have a separate life from him as he does from me. So there.

One night, after my husband had been away for a week and not having any sex for over a month, I called Daniel and invited him over to keep me company and watch a movie. We have had sex before and while I wouldn't deny him tonight, I didn't offer it. So, we're sitting on the sofa with a movie playing and we're commenting and talking about the movie and the amazing special effects; after all, it's Bond, James Bond.

Daniel had his arm around me and we were cuddling, then I felt him sit up and move his arm down slightly right onto my boob. So anyway, he had his hand on my boobs, so I put mine on his thigh. He started squeezing, so I moved my hand

Angel is not known very well here in the States, but in Europe, she is a pretty big star, so when I saw her on the cover of *Cheating Housewives*, I just had to pick it up. She looks hot and is a great fuck. Her innocent face and kick-ass body make her a true angel. I encourage your readers to check her out!

Now my boobs were in front of his face. He took his hand out of the top of my t-shirt, and pulled up my top, lifted it over my head and pulled me clos-

## and more... random, wanton infidelity

er so my boobs were rubbing against his face. I wasn't wearing a bra so he kissed them all over, then licked it, then licked my nipple. I giggled really sexy which turned him on, and I felt his cock getting hard under my throbbing pussy.

His hand moved down, tickling my stomach with the tips of his fingers. They kept moving down until they reached the top of my panty. When I looked in his eyes, he moved his hands into my panty and began rubbing my clit, making me grind on him. I felt a finger inside me thrusting faster and harder each time it did. I came, creaming all over his hand.

I felt like I owed him, so I got down, pulled his pants to his knees, and put his big juicy balls into my mouth as I was giving him a hand job. Then I put my mouth over it, licking

When we finished, we got cleaned up and continued watching the movie as if the last hour never happened. All there was to show was my soaked panty, and the wet patch on his pants, but my husband was not going to see them tonight.

### MICHIEF MAKERS

My hubby Barry and I have been married for more than ten years. We like to live it up as best we can. So we've decided to become a little more adventurous in our current sex life rather than face one or the other cheating. We've become swingers, of sort. That is, there have been times that others have joined us for some fun. Either sex is fine because Barry and I know our limits, and our promises to each other.

We decided to have Barry friend's

warmed up. I mentioned I was a bit nervous, but was ready to get the evening started. I told him I hoped he enjoyed the show. After making sure the camera was set up with a great view to our bed, we kissed each other and awaited our guest.

Ray arrived a few minutes early and I answered the door in a black see-through top, no bra, a black thong, and satin shorts that really show off my assets. He grabbed my hand as I invited him in. This is the second time we have 'played' with him. The first time, about two months ago was a little too much for him, but he's had time to think about it and talk more with my hubby, so he says he's cool now.

I sat down on the couch beside him, placing his hand on my leg, which he immediately began to rub. In no time at all I was surrounded, Barry on my right, Ray

and sucking. My head moved up and down on his cock for a while until he came. I looked him right in his eyes as I made sure he saw me swallow.

Ray over that Friday night. About an hour before his arrival, I showered and trimmed everything up. Barry sneaked his tongue in and around my pussy to get me

on my left, hands all over me and mouths kissing my arms and neck. This time we took it slower. We had a bottle of wine first and talked for a bit. My hus-

band took charge this time and started kissing me again as we were sitting on the sofa with his friend sitting in a chair across from us. Barry began undressing me while Ray watched. He then spread my legs so that I was on full display and began fingering me and sucking my breasts. His friend was watching all this and had a huge erection at this point.

When he was satisfied that I was good and wet and about ready to cum, he told me to get down on the floor on all fours. Barry dropped his pants and thrust himself inside me. We were both so aroused doing it in front of his fully clothed friend that we exploded within just minutes. When he was done he moved me back to the sofa, legs spread as before. He then told him that if he wanted to fuck me he'd have to eat me like I had made him do the first time. Ray's jaw dropped! After a brief pause though he dropped down on his knees and buried his face in my hot mess. I had my second orgasm within two short minutes.

Once he was satisfied he'd eaten

began pounding me he was so excited and I was moaning and groaning like crazy. He's huge to begin with, but this time it felt even bigger than before. Then, with a couple last hard thrusts, he filled me with his cream.

He was done, it was over in less than five minutes and both of us collapsed. I stood up and Barry came over and gave me a big kiss. I then asked Ray to get dressed and leave, telling him Barry would let him know the next time he wanted him to satisfy me.

### PIZZA ANYONE?

There's a woman I had met through a friend who was married but apparently not getting enough from her man, and I initially found her interesting. That is, until she attempted to harass me. She would send me texts like *'I'll be the best fuck you'll ever have'* and *'No one can fuck you like I can fuck you'* and the ever popular, *'I give the best blow jobs on the planet'* with all these weird emoji after the phrases.

same poles towards each other. There was no rhythm or attraction, and I remember that kissing her was like trying to stick my tongue in a bathtub drain. Some people fake orgasms on purpose and some do it out of habit. She moaned during sex making the fakest sex sounds possible. She shrieked, called me daddy, and probably woke up the entire fucking neighborhood with her booming yells of fake sexual pleasure.

My poor cock shriveled from the lack of chemistry with this woman and I threw in the towel early. I laid down defeated and supremely grossed out. Then, she asked me in this whiny voice: "Um, can I suck your cock?" I sighed again, her question and tone reminiscent of a 1920's flapper.

We all know how this is going to end. "Sure," I said, "Go for it." She did. I guess it was fine, and fortunately it was short, but to even get to that point was so excruciating painful mentally.

They say there's no such thing as a bad pizza; and no such

enough, Barry told him he was ready to watch him fuck me. He didn't waste any time pulling it out and shoved it in so hard and fast that I screamed. He just

Well, much to my disappointment in after sight, sex with her was completely sloppy and awkward. It's like when you take two magnets and point the

thing as bad sex. Well, they're wrong about the sex. Next time, I'll just order the pizza and do myself the favor.

# dream lover

when you don't want to be alone, and who does!

**So what's a poor girl to do?** I feel stuck in a ten year soulless marriage that I just hang onto for the sake of the kids. I talk to my girlfriends about Tom and they all tell me to get out of our marriage. But I can't. My parents would probably consider me a failure. Surely the office would find out and I couldn't face that. The church I go to would also learn of it and I was not about to commit adultery in their eyes, and have to live with that fear and guilt. I did get up the courage to speak with my minister in private about my frustration and while he said

he understood, he did not offer any advice that I could take to heart. He suggested that I stick with my husband and try to find ways to change him. I don't think that's going to work. He also suggested that maybe we should go on separate vacations for a week and hope that will restore the ardor in our relationship. I don't think my husband would go for that, either. He'd wonder why we needed separate vacations and that, then, would open up a can of worms.

I finally broke down and tried to talk to my husband about it. Unfortunately he was less receptive to discussing it than I had hoped. I tried to sugar-coat it, telling him I would try new things with him. I said that I'd fuck him more often, even give him blow jobs every day. He just wasn't interested. Then I asked if he was cheating on me. Well, he went through the roof accusing me of all sorts of things. I was devastated that we couldn't resolve anything, and maybe it just made things even worse. I know, you are probably thinking I should grow some balls and move on. I just can't do that to my family. I do have hope that he'll come around soon and we'll get back to normal. I really feel that if our sex life gets back on track, the rest will fall in place, too. I don't know what to do, so I retreat into my own fantasy world.

I have created my fantasy man and he visits me, and makes love to me whenever I want him to. He never tires, he never refuses me, and above all he leaves when I'm finished with him. His name is Alfie. He is handsome and he is strong. He listens and he is always there. He makes love to me the way that I want him to.

I lay in bed in my half-sleep. Alfie's warm body is next to me and I gently become aware of his strong hands making soft strokes on my back. The heat of his body and the warmth of his

**My body cannot stop the locomotive. It's signaling to my brain to let go. It's cumming, I'm cumming. Then I realize that I'm not the one in control. Alfie stops suddenly. I grab his head and push it down forcing his mouth back down onto my throbbing knob.**

hands caress my skin. I feel his hot breath on my neck as he kisses it from my shoulders to my hairline. I moan softly as I reach back and find his hair. I play with it, twirling strands in my fingers. Around my body I feel his arms encircle me, his hands reaching forward to cup one of my breasts, gently kneading, my nipples tightening into stiff peaks. I latch onto his hand, holding it firm as I roll my body to face him. Our lips touch; my tongue softly penetrates his mouth. I open my eyes and look deeply into his with streams of love pouring out of them. I tell him he is the love of my life. This raises our body heat and with our eyes locked, he pushes his thighs gently between mine. I open them and hook my leg over his, sensing his manhood arousing.

I feel him separate his body from mine leaving a cool patch where our flesh was touching. He pushes me tenderly onto my back. His lips still kissing my neck, then moving down between my breasts. Upon arrival, he pushes them together as he buries his face between my mounds. The stubble on his chin scratches then stimulates my breasts making my nipples hard. First he takes one nipple into his mouth, then the other and sucks on them, his tongue wetting each with his love. My hands now stroke his dark hair as I push my breast and nipple deeper into his mouth. The feeling of his tongue licking them is sensational, like static charges jumping from his tongue to my flesh and then charging down the length of my body.

He lifts his head from the treasures on my chest and moves downward, making a wet trail straight to my most sensitive of areas. I do not stop him, I want him to hurry but I hold back, letting him take his time and me to pleasure. His tongue reaches its destination and searches over my pussy lips, then between them finding my 'on' switch, and delicately licks my sensitive enlarged button. Uncontrollably, my back

arches and my hands grab his hair as my thighs clamp around his head as I buck off the bed. My actions bury my clit deeper into his mouth. He begins to suck me harder and deeper. His long wet tongue flicks and rolls the nub. He pushed my thighs apart, and opened my labia for better access for his conquering tongue. He rolled the tight bud expertly inside his mouth, lapped and pushed his tongue round and round my clit. I'm almost there. Ecstasy awaits. I wait for it, but it does not wait for me. The build up is excruciating and I love it. I don't want it to stop. I don't want

the inevitable – yet. I want to surf in the waves of the big one.

My body cannot stop the locomotive. It's signaling to my brain to let go. It's cumming, I'm cumming. Then I realize that I'm not the one in control. Alfie stops suddenly. I grab his head and push it down forcing his mouth back down onto my throbbing knob. 'Stop resisting,' I say in my mind. He pulls back with a loud suction noise popping off my pussy. My pussy cools from his mouth's absence, but it is hotter than ever in anticipation of the next. Alfie moves so that when I look up and see his hardness, I cannot help but

leave my feelings in limbo and move in to orally adore it. I lick my lips and it doesn't disappoint. It is just inches from me now. I have to have it. It begs for my mouth and tongue without saying a word. It knows exactly what I'm going to do so I reached up and gently move along its length with my tongue. I smell his manliness and it adds to my ardor. Seven inches later I'm at his balls and suck them – first one, then the other. The feeling is sublime.

His penis is twitching. His hands settle around my head and pulls my mouth to the tip of his cock. I have no choice but to suck it. My moist warm tongue massages the head. It searched for the small opening in the tip and slides in just a touch. I know he doesn't expect it. I want to do what he doesn't expect. He groans loudly. I feel the vibrations in his rock hardness. He holds my head tight and rocks his cock back and forth, in and out of my hungry mouth. My hands move behind him and caress his butt cheeks. They fit firmly in my grasp and I pull them towards me. My lips tighten around his shaft, my tongue rolls inside my mouth caressing every inch that is inside. He thrusts his cock to the depths of my mouth, hitting the back of my throat. He tastes delicious on my tongue.

My moans are encouraging but Alfie pulls out.

I watch his stiff cock move away and down between my legs. His large hands grab my ankles and lift them up and out, opening my legs wide, exposing my hot moist slit to him and his anxious cock that's pointing right at it. He dips not one but two fingers inside my tight love tunnel, then raises it to his hungry mouth and sucks my juices off from his fingers. He looks at me and tells me how much he likes to taste me. But enough. I want... I whine...

Suddenly, he pushes his cock all the way inside me in one long thrust. My pussy squeezes his rod with joy, making the tunnel tighter and tighter. My pussy feels the entirety of him. It spasms all around him as I'm about to cum again. Alfie's hands pinch and pull at my nipples. Then my pussy squeezes him one more time and abruptly, my orgasm bursts forth. My body melts into the flowing river that is Alfie. I was no longer in control of my body's actions. I quiver in my ecstasy, and moan loudly in my pleasure. He pushes all the way in and stays there.

Alfie can feel my pussy milking his hardness, willing him to cum inside. At long last, he can no longer hold back. In one long slow push to the depths of my love-canal, he spurts, mingling his cum with my juices. He collapses on me, still inside me, resting his cock between the walls it just fucked. He leans down to kiss me, drops of sweat glistening from his broad chest, falling onto mine. I kiss him back and whisper that I want to taste him. It was not fair to me to leave his cock inside my pussy. He pulls his hips back and his cock flops out of my tunnel. He crawls up towards my head and straddles my face. Lowering his hips, I want to taste his cock and the musk of his balls. I want to taste the mix of our love. I gently take it with my hand and pull it near my nose. I inhale the sweetness of our union. I lick the tip, the shaft, his balls. I want his sweaty manhood to envelope me in its sensuous aromas.

Slowly he backs off me and lays by my side. His hands gently rub my body in soft caresses. He snuggles next to my ear and whispers how much he loves making love with me. How much he loves me. How he can never cheat on me. Alfie, I only wish you were real.

# gala performance

There's not much we girls won't do when we get together. We'll paint each other up, try on the other's clothes, and share our sex toys. Erika just bought a new one and she says she can't wait to try it out on me. She says she hasn't used it yet, but I don't believe her. She's always too horny to try one out, but that's okay, I still love her.
